

# THE MADISON COUNTY PROPOSED VOTE CENTER PLAN

OFFICE OF THE MADISON COUNTY CIRCUIT  
COURT CLERK DARLENE  
LIKENS

July 29, 2013

J. Brad King, Co-Director  
Trent Deckard, Co-Director  
Indiana Election Division  
302 West Washington Street E-204  
Indianapolis, Indiana 46204-2767

Dear Directors,

Pursuant to Indiana Code 3-11-18.1-3(h) enclosed please find the Madison County Election Board Order 2013-01 and the Vote Center Plan that was unanimously adopted by the Madison County Election Board. It means a great deal to the Board and to me to be involved in this innovative, progressive change for Madison County.

It is our intention to continuously modify this plan to fit current Indiana legislation and to revise the plan based on our experiences with vote centers and the needs of our voters.

Please let me know if you have questions or concerns regarding any of our documentation.

Sincerely,

Darlene Likens  
Madison County Circuit Court Clerk

## **MESSAGE FROM THE CLERK**

**Citizens of Madison County,**

Since the vote center concept became a reality in Indiana elections in 2007, leaders in Madison County have been carefully observing its effect on voters, county budgets, and on the election process.

The following pages layout our plan to make vote centers a reality in Madison County. The vote center concept gives any voter in Madison County the opportunity to cast their ballot at any vote center location throughout the county. No one is restricted to one polling place on Election Day. In addition to making it easier for voters on Election Day, the vote center concept also calls for increased early voting opportunities at what are called “satellite vote centers” that are open prior to Election Day.

The most common question we hear on Election Day is “Where is my polling place?” or “Why can’t I just vote at the polling place across from where I work or drop off the kids for school?” A common complaint we hear is “I can’t make it back to the polls by 6:00 p.m. “On Election Day?” Vote centers will address these common voter concerns.

Another important part of the vote center concept is the financial impact it will have on Madison County. Having to staff fewer locations and provide less equipment and support on Election Day will help the county to realize a cost savings on items such as rental costs, poll worker costs, and equipment costs.

By moving to vote centers, voter convenience is improved; election administration is streamlined and made simpler; and this improves the county’s long-term fiscal stance when it comes to elections.

Most Americans have been voting under the same process for over 150 years. Vote centers represent a major step forward and bring elections into the 21<sup>st</sup> Century.

I want to thank all the wonderful people who have worked so hard and in a bipartisan manner to move the county toward vote centers. Madison County should be proud of its community leaders who worked together for what will be best for all citizens. To all the churches, libraries, community centers and businesses that have willingly allowed us to use their facilities as vote centers, we are forever grateful.

Sincerely,

**Darlene Likens  
Madison County Circuit Court Clerk**

# INTRODUCTION

## What is a Vote Center?

A vote center is a place where any registered voter in the county can vote on Election Day. Vote centers bring to bear new technologies to revolutionize the voting process. Instead of traditional precinct-based polling sites on Election Day, the vote center concept calls for vote center locations where any registered voter from any precinct can go to cast their ballot and retrieve their correct ballot style. Every precinct ballot style is available at every vote center location. In addition, because of electronic poll books, when a voter signs in at one vote center's electronic poll book is automatically updated to reflect that the voter has cast their ballot.

## Why Madison County?

Since 2007, Indiana has been experimenting with the vote center concept through a pilot program launched by the Indiana Secretary of State's office and the Indiana General Assembly, in 2011, the Indiana General Assembly passed legislation to allow any Indiana county to pursue becoming a vote center county. Since 2007, government and civic leaders in Madison County have been observing vote centers' impact on voters and election administration. The pilot programs showed that vote centers streamlined election administration and improved voter convenience. In addition, vote center counties have seen a cost reduction in their elections over time.

Because of these results from the pilot programs in Indiana (which can be found at [www.VoteCenters.IN.gov](http://www.VoteCenters.IN.gov)), leaders in Madison County decided to pursue this exciting new approach to election administration for the 2014 Election Cycle.

## What is required to become a Vote Center County?

Indiana Code 3.11-18.1-3 sets forth the requirements for a county to become a vote center county. The first step to becoming a vote center county requires a draft vote center plan which details specifics of how such a transition would occur. This document serves as the vote center plan for Madison County. Indiana Code 3-11-18.1-4 sets forth the requirements of a county's vote center plan. Once a draft plan is submitted for public review and comment at a public meeting of the County Election Board, the opportunity for the public to review the draft plan and submit comments must remain open for 30 days. After the 30 days of opportunity for the public to review and comment on the draft plan, the County Election Board holds another public meeting to consider all public comments and then votes to adopt the vote center plan as is or as amended. In order for the county to become a vote center county, the County Election Board must by unanimous vote approve a vote center plan, and the County Commissioners and County Council must approve by majority vote resolutions approving the status of the county as a vote center county.

If all three of those things occur, the plan must be filed with the Indiana election Division and Madison County will officially become a vote center county. Any future amendments to the plan or a decision to return to traditional precinct-based elections must be voted on by unanimous vote of the County Election Board and filed with the Indiana Election Division.

# OVERVIEW OF THE PROCESS

## The Vote Center Task Force

Once a vote center plan is adopted by the County Election Board and filed with the Indiana Election Division, the County Election Board, the County Election Staff, County IT Staff, and the Indiana Team from Election Systems and Software (Collectively known as “the Vote Center Task Force”) will move forward with preparing for this major change in Election Administration for the 2014 Election Cycle.

The Task Force is made up of people with tremendous experience in the election process. The County Election Board has a track record of working in a bipartisan way to ensure the process is free and fair. The County Election Staff works hard year round preparing Madison County for elections. Our County IT Staff continue to be a tremendous asset to this process. Our voting machine vendor brings to the table experienced managers who both understand Indiana law, the vote center concept, and have an intimate knowledge of electronic poll books.

## The voting equipment

Madison County’s current voting system (the iVotronic) is perfectly suited for the vote center concept. The iVotronics have been used in numerous jurisdictions around the country in a vote center context. And, they were the very first machines in Indiana to be used in a vote center context when Wayne County, Indiana used them in the 2007 Municipal Election.

Since they are Direct-Recording Electronic (DRE) TOUCH SCREEN MACHINES, Madison County will have the unique advantage of being totally paperless in this transition ((with the exception of the absentee-by-mail process). Provisional ballots for every ballot style in each election will also be available on the iVotronics. Provisional ballots marked on the iVotronics will be kept separate from regular ballots so that the County Election board can make a determination whether to accept or reject each individual provisional ballot following Election Day.

We foresee no issues whatsoever with the voting system currently in place. In the long run, because we will have fewer voting locations on Election Day, when we prepare to update our voting system, we will buy fewer units. Currently, because the vote center concept will not call for the use of all our iVotronics at once, we will have the opportunity to rotate the use of iVotronics from election to election and have multiple backup units available.

Because iVotronics are DRE touch screen machines, the requirement in Indiana Code 3-11-18.1-14 that requires ballots to be kept separately by precinct is easily met. Just as in traditional elections, at the end of the Election Day, votes will still be tallied and reported by precinct.

## Electronic Poll Book

Madison County has elected to use Election Systems and Software’s ExpressPoll-5000s, pending contract. This electronic poll book will be securely connected to every vote center and to the County Election Board at the Madison County Courthouse on Election Day. It will securely connect every satellite vote center and County Election Staff. The ExpressPoll-5000 meets all standards set out by Indiana law under IC 3-11-8-10.3. In addition, our vendor election managers have intimate knowledge and experience with electronic poll books.

## E-Poll Book Description and Security Details

The ExpressPoll-5000 Electronic Poll Book hardware and software is designed to function as a secure voter validation system. The ExpressPoll-5000 uses a dedicated hardware enclosure which provides a strong, secure enclosure for the unit.

The expressPoll-5000 enclosure stores voter validation data using redundant solid state non-volatile compact flash memory with “no moving parts”. Solid state compact flash memory is used in place of a fragile hard disk drive, as the electronic poll books will receive the same rough handling as tabulation equipment. Hard disk drives, with moving parts, are prone to hard drive crashes when they receive rough handling. Electronic poll books must function properly to keep voter lines moving on Election Day and the ExpressPoll-5000 ensures this.

When a poll worker turns on the Expresspoll-5000, the system will cycle to a screen containing one icon, labeled “Launch ExpressPoll”. The poll worker simply touches this icon to boot-up the ExpressPoll software. This simplifies poll worker training, as a series of icons that are unrelated to the system’s primary function, voter validation, are not accessible to the poll worker. During Election Day, a poll worker using the ExpressPoll system cannot open other programs on the unit, as it is a dedicated electronic poll book. If a standard laptop or notebook PC is used to support the electronic poll book software, a collage of icons can appear on the initial screen when boot-up occurs, confusing a poll worker and possibly enabling them to enter other software applications on the PC which could provide a security risk. In addition, the electronic poll books cannot be accessed without the coordinated actions of two (2) PRECINCT ELECTION OFFICERS WHO ARE NOT MEMBERS OF THE SAME POLITICAL PARTY. The precinct election officers will be provided passwords.

When a voter arrives at the vote center, their eligibility will be brought up on an ExpressPoll-5000 screen. In a primary election, the poll clerk will indicate which party ballot the voter has requested (Republican or Democrat). The system will record the time that the voter was checked in and the records will be updated back to the Madison County Election Board and the electronic poll books used by precinct election officers at all other vote centers in Madison County. If a voter attempts to vote again, the database will show them to be ineligible.

The dedicated ExpressPoll-5000 enclosure is not susceptible to theft, unlike an off-the shelf notebook computer which can be enticing to a thief.

The removable compact flash memory card is physically stored in an enclosed compartment on the top of the ExpressPoll unit. The door covering the compact flash memory card compartment can be secured using a security tag with an audit number which will expose any attempt to physically tamper with the memory card.

Data stored in the ExpressPoll-5000 redundant compact flash memory can be encrypted using sophisticated RC-4 data encryption. In addition, Madison County can deploy VPN routers on WAN to provide native data encryption to transmissions. The use of an election official’s or poll workers user ID and password provides access to accomplish designated tasks within the system. Every log-on attempt generates an audit log event, so it is very easy to read the audit log and determine what activities were completed by a specific person. The ExpressPoll-5000 units are issued by device ID number in carrying cases, which can be sealed with a numbered seal.

Each ExpressPoll will have a unique device ID for controlling the log files after an election. This ID is numeric and should be 6 characters. This number becomes the title of the log file (#####.Log), and also is the first six characters of the provisional ID when using the auto provisional ID option in the ExpressPoll unit. The hard sided ExpressPoll-5000 carrying case can be locked, and has a latch that can be secured with security (numbered) seals.

A strong security plan with processes that guide usage in a recommended best practice is in the Administrator’s manual. Two levels of passwords and smart cards are required to set certain configuration options. Election officials can mandate using simple passwords, pass phrases, or two phase authentication using simple passwords,

Additional password protections are provided at the server and these passwords can be set to expire.

Encrypted user logs are available to identify who has used and modified the system and devices, reports of all election functions performed on the system are available; and statistics can be captured of open, close, log-on, log-off by user ID.

The audit log file contains a time stamp of every transaction, providing the date and time of each voter processed. This log file can be encrypted using one of the following industry standard algorithms. RC4, AES-128 in OFB MODE, AES-128 IN CCM MODE, AES-256 IN OFB MODE

The ExpressPoll-5000 USB ports can be physically covered to restrict tampering.

In the future, should electronic poll books require federal certification; the use of a dedicated electronic poll book enclosure will become increasingly important to meet federal certification requirements, as internal hardware components will have to remain consistent to meet the certification standards. A dedicated enclosure will allow jurisdictions to continue to meet these strict standards, while the use of an off-the-shelf computer will not, as replacement components for an off-the-shelf computer will not provide the consistency required to meet federal certification standards.

## **Method for Providing Data**

The ExpressPoll-5000 comes with printers that will attach to each unit that will allow precinct election officials or officials at election central to print lists of voters who have voted by precinct.

## **Satellite Vote Centers**

A key element to the success of the vote center concept has been the concept of satellite vote centers, which are sites open during the 28 day period prior to each Election Day. Satellite vote centers are places where any voter in the county may vote early absentee-in-person. As required under IC 3-11-10-26.3 and IC 3-11-18.1-4 (16), Madison County will designate at least five satellite vote centers, in addition to the courthouse, and at least one of those sites will also be a vote center on Election Day. In vote center counties, early voting percentages have risen dramatically, allowing the fewer locations on Election Day itself to work well. To review early voting percentages by county and election, visit <http://www.in.gov/sos/elections/2400.htm>.

## **Poll workers**

Madison County will require fewer poll workers to administer Election Day vote centers. However, the use of poll workers will increase during the week prior to an election day, in order to staff the satellite vote centers. Each satellite vote center and Election Day vote center will have at least one traditional precinct Election board made up of an Inspector, at least two election judges of opposite parties, and at least two clerks of opposite parties, depending on the election size and location of the vote center. Training procedures for poll workers will remain largely the same.

# VOTE CENTER LAYOUT

Vote centers will be set up differently based on location, but the general layout of a vote center in Madison County will be as follows:

MACHINE	MACHINE	MACHINE	MACHINE	MACHINE	MACHINE	MACHINE	MACHINE
1	2	3	4	5	6	7	8

INSPECTOR  
OR GREETER  
TABLE

JUDGE’S TABLE

CLERK’S TABLE

ENTER

# **VOTE CENTER AND SATELLITE VOTE CENTER LOCATIONS**

Madison County plans to utilize 24 vote center locations for the 2014 Election Day. Indiana Code 3-11-18.1-6 only requires one vote center per 10,000 active voters. Hours for voting will be 6:00 A.M. TO 6:00 P.M.

The following are vote center locations to be open on Election Day:

1. Anderson Zion Baptist Church, 2008 Rev. J.T. Meniffee St. Anderson, Indiana 46016
2. Alexandria Community Center, 315 South Harrison St., Alexandria, Indiana 46001
3. Alexandria 4-H Building, Alexandria, Indiana 46001
4. Bethany Christian Church, 1920 No. Rangeline Road, Anderson, Indiana 46011
5. Chesterfield Mill Creek Center, 17 Veterans Blvd., Chesterfield, Indiana 46017
6. Edgewood Town Hall, 3405 Nichol Avenue, Anderson, Indiana
7. Elwood City Hall, 1505 South "B" Street, Elwood, Indiana 46036
8. Elwood St. John's Lutheran Church, 10099 North St. Rd. 37, Elwood, Indiana 4603
9. Florida Station Church of God, 1025 West 375 North, Anderson, Indiana 46011
10. Frankton Christian Church (Family Life Ctr.) 201 No. Church St., Frankton, Indiana 46044
11. Geater Center, 1611 Chase Street, Anderson, Indiana 46016
12. Ingalls Town Hall, 247 No. Meridian Street, Ingalls, Indiana 46064
13. Lapel Eagles Lodge, 110 East 9<sup>th</sup> Street, Lapel, Indiana
14. Markleville Town Hall, 8 South State Street, Markleville, Indiana 46056
15. Main Street Church of God, 4211 So. Main Street, Anderson, Indiana
16. Mounds Mall, 2109 So. Scatterfield Road, Anderson, Indiana 46016
17. Payless Applewood, 1900 Applewood Center, Anderson, Indiana 46016
18. Payless North, 1845 No. Scatterfield Road, Anderson, Indiana 46012
19. Payless , 3050 Meridian Street, Anderson, Indiana 46013
20. Pendleton Community Building, 299 Falls Park Drive, Pendleton, Indiana 46064
21. Pendleton Library, 595 East Water Street, Pendleton, Indiana 46064
22. Redbud Estates Community Building, 1800 West 38<sup>th</sup> Street, Anderson, Indiana 46013
23. St. Mathews United Methodist Church, 1512 No. Madison Ave. Anderson, Indiana
24. Summerlake- Grandview Church of the Brethren, 9064 W. Grandview Blvd. Ingalls, In.
25. Summitville Fire Station, 813 East Mill Street, Summitville, Indiana 46070

**The following are satellite center locations, dates and times for Monday thru Friday.**

Anderson locations April 21, 2014 to May 2, 2014 12:00 P.M. to 8:00 P.M.

Elwood location April 21, 2014 to May 2, 2014 12:00 P.M. to 8:00 P.M.

Pendleton Location April 21, 2014 to May 2, 2014 12:00 P.M. to 8:00 P.M.

**The following are satellite center locations, dates and times for Saturday and Sundays.**

Anderson locations: April 19, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
April 20, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.  
April 26, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
April 27, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.  
May 3, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
May 4, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.

Elwood location: April 19, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
April 20, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.  
April 26, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
April 27, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.  
May 3, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
May 4, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.

Pendleton location: April 19, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
April 20, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.  
April 26, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
April 27, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.  
May 3, 2014 (Saturday) 12:00 P.M. to 6:00 P.M.  
May 4, 2014 (Sunday) 12:00 P.M. to 6:00 P.M.

We will have (1) Traveling Satellite Center that will be in the following communities at some point between April 19, 2014 and May 4, 2014. Hours each day will be Monday – Friday 12:00 P.M. TO 8:00 p.m. Saturdays and Sundays 12:00 P.M. to 6:00 P.M.

## Voter Education Efforts

Madison County has a full media and community outreach strategy that will involve press releases to widely circulated newspapers and radio stations. In addition, we will use our county website ([www.madisoncounty.in.gov](http://www.madisoncounty.in.gov)) and the state's voter information website ([www.IndianaVoters.com](http://www.IndianaVoters.com)) to prepare Madison County citizens for this change. Moreover, each household with a registered voter will receive a postcard in the mail prior to the initial elections, informing them of this change and where each vote center is located. We will also plan to attend community events where the Circuit Court Clerk and her staff will speak about the change. Here is a copy of our sample press release:

### MADISON COUNTY TO IMPLEMENT VOTE CENTERS

FOR IMMEDIATE RELEASE  
(DATE TO BE INSERTED LATER)

#### New voting concept will increase convenience and save county money

Effective (date), Madison County will officially gain status as a vote center county. Madison County will be one of several Indiana County to switch to the vote center model.

"I am so excited that Madison County has decided to make the switch to vote centers," County Clerk Darlene Likens said. "It's taken a lot of planning and hard work from all those involved, but the benefits to the voters of our county will be well worth the effort we have spent implementing the new model."

Simply put, vote centers are polling places where any eligible voter in the county may go to vote. They eliminate the need for traditional polling places and allow voters in the county more flexibility regarding when and where they cast their ballots. Vote centers throughout the county are linked by secure internet connections and an electronic poll book is instantaneously updated as ballots are cast. In addition, significant cost saving are expected over time.

Wayne, Tippecanoe and Cass counties piloted the vote center program in Indiana from 2007-2010. Now, because of the success those counties experienced, both the Indiana House and Senate passed legislation that allows all Indiana counties the option of becoming a vote center county.

Madison County will implement the use of vote centers during the upcoming May 6, 2014 Primary Election.

"Ultimately, our goal is to make voting easier and more convenient for the voter of our county while also saving county money," County Clerk Likens said. "As always, we value the feedback of our constituents and encourage you to voice your questions or concerns."

To learn more about how vote centers operate, to review counties' vote center plans or to access research on vote centers and their success, visit [www.VoteCenters.IN.gov](http://www.VoteCenters.IN.gov) or [www.madisoncounty.in.gov](http://www.madisoncounty.in.gov)

# SECURITY

## Key players

The following narrative describes what would happen in case of an emergency during an election. The first responders to any emergency, either man-made or natural event, are local citizens. Poll workers, volunteers, and police and fire personnel will be the first to identify the problem. The next level of response will come from the Madison County Commissioners and the Madison County Election Board in cooperation with the local emergency management agency. If deemed necessary by the County Commissioners, The Office of the Governor (whose resources included IDHS, the Indiana National Guard, and the state police) and the Office of the Secretary of State's Election Division will be contacted for emergency assistance. In addition, any action taken either by the Office of the Governor or the Office of the Secretary of State may be taken in consultation with the Office of the Attorney General to ensure that interpretations of the laws are correct.

## General Situations

Five general situations exist in which decision-making may occur regarding the election process and activities in Madison County:

Situation Normal—the status quo exists and the process moves forward according to normal laws and procedures.

Isolated Emergencies—individual precincts or parts of the county experience disruption to the election process and local agencies respond accordingly.

Regional emergencies—an emergency involving Madison County and neighboring counties exists and a state-level response is required.

Catastrophic emergencies inside Indiana—a large disaster exists that diverts the resources and attention of the citizenry and a state-level response in cooperation with the federal government is required.

Catastrophic emergencies outside Indiana—a large disaster exists in the United States that diverts the resources and attention of the citizenry and a federal-level response is required.

## Local Preparation and Response

The Madison County Commissioners have worked closely with the local emergency management director, the County sheriff, and local police and fire stations to ensure Madison County is prepared for emergencies. In addition, the Madison County Commissioners will be in close communication with the County Election Board should any emergency occur on or surrounding the election process.

In this endeavor to be prepared for an emergency that could occur on or surrounding an Election Day, Madison County has taken the following steps prior to each Election.

1. Review of IC3-11-8.3-2 which outlines procedures for changing polling locations
2. Review of state's Quantity Purchasing Agreements (QPA) whereby Madison County may buy or lease emergency generators and other supplies.
3. Contact is made with power companies to ensure all vote centers have power on Election Day.
4. The Madison County Information Technology Department and Election Systems and Software will have employees at the Courthouse and in the field on Election Day in the event of any disruption.
5. In the event of a power failure at a vote center, the voting machines and e-poll books will be switched automatically to a battery backup.
6. In the event that the internet is inaccessible at a vote center location, the eligibility of a voter will be ascertained from records maintained by the Madison County Voter Registration office via telephone/cell phone.

RESOLUTION 2013- R 2

**A RESOLUTION AUTHORIZING THE ELECTION BOARD OF MADISON COUNTY  
TO ADOPT A PLAN FOR VOTE CENTERS**

WHEREAS, Indiana Code 3-11-18.1 allows counties to adopt the vote center model and,

WHEREAS, the Madison County Election Board is authorized, pursuant to Indiana Code 3-11-18.1-3, to proceed to adopt a plan for administration of vote center in Madison County.

BE IT SO RESOLVED AND CERTIFIED BY THE MADISON COUNTY COUNCIL that the Madison County Election Board is authorized, pursuant to Indiana Code 3-11-18.1-3, to proceed to adopt a plan for administration of vote centers in Madison County, beginning with the May Primary Election 2014.

Dated this 12<sup>Th</sup> day of February, 2013.

MADISON COUNTY COUNCIL

By:

  
John Bostic, President

RESOLUTION 2012-BC-O- 5

A RESOLUTION AUTHORIZING THE ELECTION BOARD OF MADISON  
COUNTY TO ADOPT A PLAN FOR VOTE CENTERS

WHEREAS, Indiana Code 3-11-18.1 allows counties to adopt the vote center model and,

WHEREAS, the Madison County Election Board is authorized, pursuant to Indiana Code 3-11-18.1-3, to proceed to adopt a plan for administration of vote centers in Madison County,

BE IT SO RESOLVED AND CERTIFIED BY THE MADISON COUNTY BOARD OF COMMISSIONERS that the Madison County Election Board is authorized, pursuant to Indiana Code 3-11-18.1-3, to proceed to adopt a plan for administration of vote centers in Madison County, beginning with the May Primary Election 2014.

Dated this 3<sup>rd</sup> day of April, 2012

MADISON COUNTY BOARD OF COMMISSIONERS:

  
JOHN M. RICHWINE, PRESIDENT

  
STEFFANIE L. OWENS, MEMBER

  
JEFFREY L. HARDIN, MEMBER
